Antón Visco

Antón Risco nace en Allariz en 1926. Dende neno amosa un espírito inquisitivo e imaxinativo incesante, ao que non é alleo o ambiente cultural no que desenvolve a súa vida a carón de seu pai; de seu padriño, Ramón Otero; dos amigos da familia, entre outros, Florentino López-Cuevillas, Xaquín Lorenzo, Prego de Oliver, Segundo Alvarado, Ricardo Outeirino, Luís Trabazo, Ernesto Gómez del Valle e Conde Corbal.

Amigo, asemade, de Valente, López Cid, Virxilio, Quesada, Arturo Baltar, Acisclo Manzano, Arturo Lezcano e outros que, como él, compartiron experiencias na tertulia de seu pai e fóra dela día a día.
